Dear Mrs. Pulliam: I saw your name and picture in the August 1937 Number of the D.A.R. Magazine and wondered if you could help me. I would like to establish the war record of my Pulliam ancestors who rendered service in the Revolutionary War. My branch of Pulliams emigrated from Scotland and England to Culpeper Co., Va., in the year of 1750. I have an authentic record
(as far as it goes) from the present
generation back to Thomas Gulliam
who was born in Culpeper Co.
Va, in 1760 - it would be his father.
If possible, I would like to
know his birth place in Scotland
or England, the date of birth, marriage
and to whom he was married.
My information that far back
is traditional which of course can
not be accepted for membership
in the D.A.R. — I have my
mother’s line completed and one
missing link in the others.
If you cannot supply this
information will you kindly
refer me to some source which
you think it could be obtained
Thanking you, I am

Very Sincerely,

Eunice L. Virginia Pulliam.
