My dear Mr. Sturgis,

I am ashamed to have kept this Williamment so long, but the truth is I wanted to look over some notes I had from St. Peter's Parish Register, New Kent, and verify a note I had to the effect that Mr. Pulleine = Mr. in the Rent. Roll of New Kent Co. for 575 acres, but could not find the fence to get in to the library. I
I have finally made three trips which have melted me south-
ning. I am convinced, however, that I found this reference
is Wm. Pulle要e in the Va. Historical Magazine and
will find it again when I have time to go through the
Thiry odd volumes. It is so
stupid of me not to make
a note of the publications from
which it is taken, but I do
these things sometimes.
I am interested in this Pul-
leman record and am in-
closed to think that the
Pullum? St. Peter's Parish Register and Pulleau are the same, but of course we can't just assume it. I have seen the New Kent Parish Register and not one is the same spelled Pulleau, always Pul-

lam, mee Pullem.

You probably did not receive the letter I sent you while abroad in reference to Edmund Pullum. You wrote me about I found that - not - he, but
The man who transported here got the grant of land. Here is the reference. Va. Hist. May, 1853.

"Mr. Clarke 1100 acres in Deuried at a little creek and bounded in the east by the main river (James). The in night-y his second wife, Dorothy Garner late widow of Edward Former for the transportation of twelve more persons (names below). By indent. Sept. 29, 1636.

Edmund Pullum...

This does not seem to bear out Mr. Pullum's statement. He paid his own way. It is interesting to find 26. 6 (tong united) in E. Harris' book. That - Resz Pullum or a relative of Mrs. Clarke.

M. Pullum's record goes John Pullum as the son of M. used
Anne Pullen, his birth as 1717
married to Agnes Allen 1733, and
Then goes on to name the children
of John Pullen and Agnes his
wife, viz. Joseph, George, James.
I am convinced there is some-
thing wrong there as I have found
record (va. Co. Rec. Vol. 6, p. 20)

The will of John Pullen of
Harrow 5 (formed from New Kent
1720) 4 Dec. 1734, 6 Feb. 1734 in
which he comes 4 sons, Willeam,
John, James, Drury, 3 daughters
Agnes, Elizabeth, Sarah and Mrs. Agnes.
We turn that John Pullieorn born land in Hanover Co., 1730. He and Thomas Pullieorn were in Pennsylvania in about 1735. They married sisters. We are descended from Thos. Pullieorn who must have been born not later than 1714. My guess is that John, Pullieorn and Thomas Pullieorn were brothers. And that their mother was a Miss Pullieorn. There were numerous Pullieorns in New Hanover Co. and the names Thos., David, Reuj. etc. run through.

Both families.  
The children of Mr. Pullman are:  
James, baptized 2 May 1690  
Benj.  31 Mar. 17 —  
Anne  22 Mar 1702  
William, baptized 3 Aug 1690  
3 Sept. 1690  
John, Pullman and Thomas  
Could not have been sons  
I am of these, but might have  
been younger brothers. That is  
the only way that I can see...
...me could see any way belong to these Pulliams in Pulliams, unless James, son of Edward had other children. There is only one, William, given here, and according to the New Lived in King and Queen after 1762 where Thomas, Patterson and John may have been born. I am quite sure that most of the King and Queen C. Records have been destroyed, but there is a book by Baffy that may help. I am inclined to think we are more...

apt to find. Something in Har.-
ner since Patterson. Pullman-
evidently went from there to
Spotylvania.

Mr. Pullam received several
grants of land in New Kent Co.
Index to Land Grants, New Kent Co.

Mr. J. E. S. Dillard has been ill for
several months in account of an
automobile accident and un-
able to work in the book.

I certainly can answer to get-
something authentic about the
wife of Capt. B. B. Lillard, but.
it isn't a bit easy. That and the wife of Mr. Pullman
Dr. are my obligations at present.

If you come to New York at any time—be sure to let me know.

If I ever find that—

and I shall certainly write you at once. I hope to have more time now that the rings are larger.

Endorse your,

Frances C. Smith
