

Culpeper Ct. #1. April 13th 1832

Dear Sir

Taking a liberty with a friend in one instance
emboldens me to do so in another. I enclosed
you a paper to present to your Judge
two days since. I now enclose here an-
other with the request that you would
present it as soon as possible and ask his
attention to the subject forthwith as delay
would be fatal. Please enclose these
documents to me by the first mail. Very
respectfully Yours S. L. Gibson
