Dear Dr. Shugert:

Thank you so much for your interesting letter of June 21, and for your offer to help me with the Pulliam family.

Can you give me the names of Edmund Pullum's children, also the names of the children of Thomas Pulliam and Winifred Holliday? I am trying to find Jennings Pulliam's parents, also the name of his wife, and their marriage dates.

Jennings Pulliam's children were:

George S. Pulliam
John Pulliam
Woodson Pulliam
Harmon Pulliam
Samuel Pulliam
Robert Pulliam
Polly Kersey Pulliam

Do they connect in any way with what you have?

I believe Jennings Pulliam lived in Hanover County. George Pulliam and his family lived in Richmond, and also in Spotyslvania county.

Do you have a Jennings line? There was a marriage between the Pulliam and Jennings families, but I do not know all the names as yet, think I shall obtain them soon though.

George S. Pulliam was my great-grandfather. He is buried near Fayette, Missouri. Do you know what part of Missouri George Pulliam and Isabella Jeffries came to, and what George Pulliam's wife's name was? George S. Pulliam married Lucy S. Digges.

I shall appreciate any information you can give me.

Yours truly,

Lula Belle Guillod
