Dear Dr. Shugert,

Your name was sent me by Miss Lula Belle Gulllod, of Kansas City, Mo., who tells me you are interested in the Pulliam Family of Culpepper Co., Va.

I have been a member of the Daughters of the American Revolution for twenty years and have five different lines, but this 6th line, that of Benjamin Pulliam and wife, Lucy Stuart Pulliam, is certainly giving me much trouble.

I am sending you my Pulliam<sup>line</sup>, which I have given several years of research, and would appreciate your looking it over, and if you know of any leads that might help me do write me.

I appreciate more than anyone the time, energy and money genealogy requires, and will be willing to pay a fee for such authentic information you might be able to furnish.

Thanking you in advance for an early reply, I am

Sincerely,

*Commie Maguire*
