

June 14-28

Dear Stanley:

Rec'd your letter yesterday. We should have received it sooner but have had high water here & all our mail has been delayed, & I suppose it would be too late to use the information you asked for, but I thought I would send a reply to your letter any way. Frank's birthdate is Dec 9 1882 -

We have quite a family 5 children. Our oldest boy has recently married is finishing up his second year in law school in K. C., &

the other children
are at home, Well
Stanley I'm sorry we
didn't get your letter
sooner, I notice it was
mailed June 5th but
suppose it couldn't
be helped. would have
been glad to have given
you the information
you asked for if I
had gotten it in time.
We had a letter from
Mr. Lillard about the
book & I believe he
said it was to go to
publishers the 10th
Kindest regards to your
self from all,
Kitty Tulliam
