

Philadelphia Nov 5 1841

Dear Sir

I Regret much that I am
not able to send more than the enclosed
thirty dollars money is hard to get hold
of this is the first I have sent you
and the last thirty dollars you may rest
satisfied that I will send it as I receive
it until all is paid I might by accident
have some more in a week or so
I think more than probable as I am promised
it because here is at a stand almost
of the large Hotels have closed their doors
I am about making a change if so it
will for the better please acknowledge
the money they are obliged to

Yours G. H. W.
