Mrs. Sarah Ellen Sully

Madam.

Your bonds to J. A. Foushee surviving partner of Foushee and Griffin one for \$160.42 payable on demand with interest from 15th April 1852 and dated 30th March 1853. The other for \$150. payable on demand with interest from 15th April 1852 and dated the 30th day of March 1853 subject to a credit of \$64.00 as of the 19th Jan'y 1854 paid by your brothers G. C. Thompson & Co. have been placed in our hands along with a number of other bonds for collection. The reason of their being placed in our hands for collection is that the money is coming to Mr Griffin's estate and his estate cannot be settled up until these bonds are collected. We will therefore be much obliged to you to make some arrangement to pay off your bonds at as early a day as you can conveniently do so - Yoursve. J. C. & J. W. Green
