Mrs Alfred H. Pulliam,
Culpepper, Va.

Dear Mrs Pulliam:

Have you the Pulliam Court of Arms? If so will you kindly give me a description of it, or tell me where I can obtain it? Miss Jane Doughter of Dayton Va has done some beautiful work in this line for us and will paint the Pulliam for me if I can get it.

Have Pulliam data to the days preceeding the Rev. but some dates are missing that I would so love to have & if you have not the old family records could you give me the name & address of some one who might be able to supply them?

Are there any Sims or Broadus
families in Culpepper? If so will you
give me their addresses?

Would also appreciate description of
the Roberts Count. of Arms. Dr. Roberts
who works in my husband's drug store
is very anxious for it, and has requested
me to find it if possible.

Trusting the favors asked are not
too great to merit a reply, & with best
wishes,

Sincerely
(Mrs) M. E. Pegram.
