Dear Mr. Shugert,

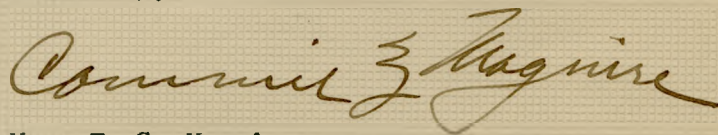

Your kind and interesting letter reached me here, where I have a summer cottage and will remain until late Fall. No doubt, you have heard of Blowing Rock as a summer resort. My husband and I have been coming here for thirteen years, and find it the highest class place of its kind in the United States. I am wondering how far your mother lives from here? Now that we are hanging on the same tree, would like very much to meet both your mother and you.

You were more than generous with your genealogy, and want to thank you for the most interesting information on the Pulliam's. You will find enclosed all that I have at the present time, but want to assure you that whatever other data I collect in the future will generously share with you. You will see, from inside data, my lines which have been accepted by the National Daughters of the American Revolution in Washington. Through my various lines I am also a member of the Colonial Dames of America, The Huguenot Society and Daughter of the Founders and Patroits of America.

My cousin, Mr. Forrest Pottinger of Hyattsville, Md., and I are writing a Family History, and am sure he will be very happy to know and thank you for your contribution. I have been a member of the Daughters of the American Revolution for twenty years, but just in the last five years have I been working on genealogy. Whatever information you care to copy from enclosed data please do so.

Trusting to hear from you at some early date and thanking you again for your letter, I am

Sincerely,

Mrs. T. C. Maguire
