Attest W. G. Windsor

Lusburg April 1840

Dear Thomas,

I am glad to hear of the meeting in
your letter mentioned. I hope in the way you
wished - that B. Moore was my clerk, little Tom
y. Charleston was contrary to my wishes from your
self.

We are all well, with the ex-
ception of Annie and her fine children to our
circle. The wife of your old acquaintance D.
W. Case has been her task yesterday.

Yours truly
Michael D. Anderson
