a larger school where she can get more salary next term.

I hope we can see you all this summer, and wish you could be present at the exercises Thursday night.

Sincerely
Elizabeth.

P.S. Have just gotten home from school, Mama says I should write this letter over as I have so many mistakes, but you see I was at school, and all the seniors were talking about graduating that I just couldn't concentrate.

Mama just received your letter, and as she is busy I will answer every thing about the family she knows. I will write with pencil as I can make better time.
