

Dear Sir,

It was my intention to have

Friedrichsburg on the first day of the Court
my return from Custer Court I have
myself too much indisposed. I will be
as soon as I conveniently can. May
for the Defts. in the case of Moreton vs.
think that is the ~~style~~ of the case;
been to the court of Appeals. I wish
the other cases in which I am con-
victed I get down. If this or any other
in which I appear should be passed
in view my request to the Chancellor

Sept 14th 1829.
